

What is the PTA?

PTA is the largest nonprofit volunteer advocacy organization in the country.

The MEMS PTA and Board is a 100% volunteer organization composed of MEMS parents, teachers and administrators just like you.

We know that you want the best for your children and being a PTA member can help you achieve that! Children learn more and have better lives when parents, school staff, students, and the community work together. PTA brings these groups together to share thoughts and ideas about programs and activities that benefit children. Our PTA provides information and resources that strengthen these relationships.

If You Are a PTA Member:

- You will be supporting children and youth throughout the nation.
- You may participate in **ALL** PTA meetings.
- You are eligible for office in your PTA.
- You can vote at local, state, and National PTA meetings.
- You are a member of the National PTA.
- You will have a unified voice to influence legislation that affects children.
